A UNIQUE OPPORTUNITY

Garrison Art Center was founded 48 years ago by a group of parents for the purpose of supplementing arts education. Since then Art Center staff and teachers have continued to build and improve programming, while ensuring that class size remain small and personal.

Our Summer Art Institute was founded as a means to enhance the arts education provided by area high schools. As funds for arts education continue to be cut, it is vital that organizations like ours offer the kind of arts education that develops skilled young artists and informed young adults. Our program draws high praise from parents and students alike. Students attend noted art schools, and those who choose different fields will be the first to say how their experience in this creative environment positively influences all they undertake.

A UNIQUE PLACE

Our vast backyard on the edge of the Hudson River is nothing short of inspiring. Five studios give teachers the freedom to create curriculum that requires a large area. In addition, we are a stone's throw from Metro North's Hudson Line, Garrison Stop. We have designed a time schedule to accommodate students who commute by train.

FINANCIAL ASSISTANCE

Garrison Art Center remains committed to keeping the cost of our programs affordable, plus we are able to offer assistance to families in need through the Gillette Scholarship Fund. Application is simple and confidential. Please contact Executive Director Carinda Swann to learn more at director@garrisonartcenter.org.

Parent MUST contact office prior to registration, if student has physical or developmental condition.

3-week tuition/student	\$925	_____
