## THE GARRISON ART CENTER ANNOUNCES 59th ANNUAL MEMBER EXHIBITION

*New Member Benefits For 2023 Announced*

**January 17, 2023, Garrison, NY** – The Garrison Art Center (GAC) is pleased to announce its 59th Annual Member Exhibition with an opening reception on **January 28th from 5 - 7 pm**. Since 1964 GAC has held a Member Exhibition featuring the works of its Artist Members, whom GAC is proud to support in our galleries. GAC's 59 years in this community have been possible because of the thousands of members over the decades who have added their important voices to the collective voice that sings out in support of art and art education.

The Annual Member Exhibition will feature artworks in 2D and 3D in a variety of mediums. Last year GAC exhibited over 100 Member artworks. Artist Member benefits include an automatic invite to participate in the Annual Member Exhibition. Become a member by visiting [www.garrisonartcenter.org](http://www.garrisonartcenter.org).

In addition to the Member Exhibition, an exhibition of collages by artist Anita Jacobson will be on display in our drawing room from **February 3rd through February 12th**. On **Saturday, February 11th, at 3 pm**, GAC will host a reading in our drawing room of poems related to Anita's collages by poet Joan Turner. This will be followed by a book signing of their collaborative book, *Entrelacé*. *Entrelacé*, or *Entwined* in English, grew from Anita and Joan's friendship and the discovery that taking inspiration from each other's work, greatly enhanced their individual creative process. On some occasions Joan creates poems influenced by Anita's collages, and on other occasions, Anita's collages are created in response to Joan's poems. A rare example of true collaboration, *Entrelacé* will be for sale with all the proceeds generously going to Garrison Art Center.
